What happens if you are sick or hurt in a remote area without specialized medical care?

We'll make sure you receive the help you need! If necessary, we will evacuate you to the nearest appropriate medical facility.

24/7 Travel Assistance – We can provide local weather details, currency rates, embassy contact information, interpreter referrals, help with lost passport recovery, and pre-trip information including inoculation and visa requirements.

24/7 Medical Assistance – We can help you locate appropriate medical care, arrange second opinions, arrange emergency medical evacuations, medical transportation home after treatment, escorts and transportation for unaccompanied children, and medical record transfers.

Pre-Existing Medical Conditions

Pre-existing medical conditions are covered if 1) You buy this plan within 14 days of your initial trip deposit; 2) The booking for this trip is the first and only booking for this travel period and destination; 3) You are not disabled from travel when you pay your premium.

A pre-existing condition is any accidental injury, sickness or condition of you, your traveling companion, or family member booked to travel with you for which medical advice, diagnosis, care or treatment was recommended or received within the 180-day period ending on the start date of this coverage. Sicknesses or conditions are not considered pre-existing if the sickness or condition for which prescribed drugs or medicine is taken remains controlled without any change in the required prescription.
